Re: MUR 4753  
Cammermeyer 2 Congress and  
Paul Fournier, Treasurer

Dear Ms. Rice:

This law firm is counsel to Cammermeyer 2 Congress  
(Committee) and Paul Fournier, its Treasurer.

At 5:21 p.m. today, I experienced a computer failure which precluded the finalization of the response of the Committee and Fournier to the Commission's reason to believe determination. Accordingly, I will not be submitting this response by overnight mail today, but will rather be submitting the response by facsimile and overnight mail on July 30, 1999.

Inasmuch as the Commission will receive the response at the same time it would have received it had it been sent by overnight mail today, I assume no second extension of time is required. However, if such an additional extension is required, I hereby request it.

Very truly yours,

Laurence S. Zakson
